Railway Board advised that representations have been received from CTOs regarding night incentive for handling of Container traffic as allowed for normal goods traffic.

The matter has been examined and it has been decided to allow the benefit of night incentive for handling Container traffic at Container Rail Terminal (CRT) by incorporating additional Para 2.8.1 in Chapter –I of Rates Master Circular/CRT-CCR-Hub & Spoke/2015/0 as under :-

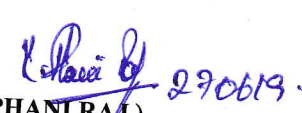

"2.8.1 At Container Rail Terminal (CRT) where Round the Clock working is implemented, 50% of the time during 22:00 to 06:00 Hours will be reckoned for calculation of free time so as to incentivize CTOs to handle Container traffic expeditiously. This incentive will be admissible for calculation of permissible free time for loading and /or stuffing the Containers and/ or unloading and/or de-stuffing containers on a container train and/ or usage of ground at CRTs. This incentive shall not be permitted on excess detention beyond free time falling during 22:00 to 06:00 Hours".

This issues in consultation with Traffic Transportation Dte. and with the concurrence of Finance Dte.of the Ministry of Railways.

"Staff in the field units should read the instructions carefully and understand the same, thoroughly. Thereafter the instructions should be implemented. In case of any doubts, letters may be addressed to the respective Sr.DCM's with a copy to PCCM's office.
