**Sub: - Discontinuation of pasting of reservation charts on train coaches.**

**(Authority: - Railway Board's Commercial Circular no. 44 of 2018 issued under letter no. 2013/TG-I/20/P/PRS Ticket Pt. II dated 23/08/2018)**

An extract of Railway Board's letter quoted above is reproduced below:

"Please refer to this office letter of even number dated 13/02/2018 (CC No. 10 of 2018) wherein Zonal Railways were advised to discontinue pasting of charts on reserved coaches of trains at all erstwhile A-1, A & B category of stations as a pilot project for six months starting from 01/03/2018.

2. Based on the feedback received from Zonal Railways, the matter has been reviewed and **it has been decided that pasting of reservation charts on the reserved coaches on the trains should be discontinued at all stations w.e.f. 01/09/2018.** Physical/digital charts will, however, continue to be displayed at the platforms of the train. At those locations where electronic charts display plasma have been installed and the same are functioning properly, Zonal Railways may stop displaying of physical reservation charts at such platforms also, making this process totally paperless. A constant vigil should, however, be kept at such platforms to ensure that electronic charts display is functioning properly and in case of their non-functioning immediate action should be taken to display physical charts at such platforms.

3. Necessary instructions may be issued to all concerned accordingly under intimation to this office."

**Staff in the field units should read the instructions carefully and understand the same, thoroughly. Thereafter, the instructions should be implemented. In case of any doubt, letters may be addressed to the respective Sr. DCMs with a copy to CCM's office.**
