**NOTE:** Freight trains to VM/TPJ may be diverted via CGL, AJJ or KPD, VM on the days of the block.

The following officers are to be available at site and ensure that no extra time is taken for the scheduled works. In case of any delay/ unforeseen events, concerned officer should immediately inform to DRM/MAS.

1. DEN/South & DEN/Bridges
2. Sri N.Sudheer Kumar, Sr.DSTE/Signal/MAS
3. Sri Muthukumar, ADEE/TRD/TBM
4. Sri V.Jayakumar, AOM/G/MAS

The following to be ensured:

- TI/TBM and TI/CGL to be available at GI and OV respectively to monitor Single line working.
- TI/MSB and TI/MLMR to be in preparedness to replace TI/TBM and TI/CGL respectively.
- SS in charge of stations between TBM-OV to be available at their respective stations during block period.
- It shall be specifically ensured that the work is completed within the permitted time and the duration does not exceed under any circumstances.
- It may be specifically ensured that Shadow Blocks are taken during the period of Block by other departments. Ensure block is not burst.
- Adequate supervisory officials from Engg. and TRD and dept. to be deployed to monitor the block since the block burst will have severe repercussion to train services and timely completion of works.
- Wide publicity to be given through press, media, station notice board and public address system regarding the cancellation/regulation.

Note and notify all concerned including Loco Pilot and Guards through Shed/Lobby Order Book.
